Applicant Name _____
Last First Middle Initial

► INSTRUCTIONS

Each year, Trinity gives monetary awards to qualified members who are entering an institution of higher education. These awards recognize attendance at and service to Trinity Parish during the applicant's high school years. To qualify for an award, these criteria must be met:

- Applicants must be high school seniors at the time of application, and must be going on to an institution of higher education. Academic performance of a C average or better is required. Applicants must provide a high school transcript.
- Applicants must be communicants at Trinity and must be regular in attendance.
- Service to Trinity during the applicant's high school years is of major consideration. The applicant might have served as an acolyte, usher, Sunday School teacher's assistant, nursery attendant, choir member, or in other ways. The intention is for the applicant to have served Trinity on a more or less regular basis, not just a one-time event.
- Applicants must write a brief letter describing their service to Trinity.
- The award is primarily based on the applicant's attendance and service to Trinity. One successful applicant might attend church every week, with little direct service to the Parish, while another successful applicant may attend only occasionally, but be very active on a specific service committee.
- An award check for \$500.00 will be made payable to the student upon receipt of evidence indicating first semester enrollment. The check will be issued on or before the beginning of the semester.
