Parish- wide Programs:

Lentopoly: Coordinated by Rachel Carpenter, Sunday School Coordinator
Based upon Monopoly, this is a game that can be played by all ages. Each player moves a token around a board with squares for "Blessings" & "Sacrifices." Materials and directions for setting up the game are available on our website. Materials have been delivered to our families.

30-Hour Famine: February 26-27 - The 30-hour Famine is a program sponsored by World Vision to raise awareness of global hunger and to raise funds for World Vision's hunger programs. Throughout the country, youth have pledged to fast from noon on Friday February 26th until 6pm on Saturday February 27th. Watch for news about how to support our Youth Group on this project.

Heifer International: Our almsgiving as a parish will be to Heifer International since last year's project was interrupted by the pandemic. Mite boxes and Lenten Calendars are available at the church, or you can make your own container, be it a box, a bowl, a jar, or something else.
